We are committed to helping deliver a sustainable future, because we believe that what we do matters. To help us deliver on this commitment, we have developed ecomatters, our sustainability principles, supported by independent 3rd party verification.

Journey to Net Zero & Beyond

Environmental **Impact**

& Well Being

lateral® | code are extremely durable mixed ribbed carpet tiles. Made using Burmatexe's unique structure bonded® technique and solution dyed fibres, lateral® | code are easy to maintain and feature anti-fray/ anti-ravel technology. Widely used in the education and commercial sectors, lateral® | code complement each other to offer a low embodied carbon, sustainable flooring solution, perfect for heavy footfall environments.

lateral® & code are low carbon

lateral® & code feature anti-fray/anti-rayel technology

lateral® & code use BioBase® recycled backing

Burmatex® products

adhere to SKA standards

verified

renewable electricity eco matters declarations are independently 3rd party

made using 100% certified

Burmatex® reco;very take back

service provides a no landfill

solution for your used tiles

Burmatex® products are

WELL Building Standards Burmatex® products contribute

to WELL Building Standards

Burmatex® products are supported by 3rd party independently verified. product specific EPD's

LEED

Burmatex® products contribute towards Leed accreditation
