infinity®

loop pile carpet tiles made in the UK

infinity® is a loop pile carpet tile collection of 16 shades, inspired by flecked textures and colours found in raw materials and nature. Visual inspiration from rocks, gemstones, coastlines, and minerals help to create the individual aspect of this heavy commercial range. This specific characteristic of the tile provides excellent soil hiding properties.

The high contrast speckled appearance of infinity® makes it the ultimate product for high traffic areas, such as corridors, entrance ways, and offices.

Made from 100% Econyl® regenerated recyclable solution dyed nylon yarn and our unique BioBase® recycled backing, infinity® is low carbon.

eco₂matters®

We are committed to achieving Net Zero through the continual removal of carbon from our products and processes. We believe that what we do matters, that the ecology of our planet matters, and that **eco₂matters®**

Carbon Status:

 low carbon

Yarn Description:

 100% Econyl®
regenerated recyclable yarn

Backing:

 **BioBase**®
* Recycled content BS EN ISO 14021

Global Warming Potential / kg CO₂ eq:

 independently
3rd party verified **3.16**

infinity®

Total Recycled Content of Product:

73.7%
BS EN ISO 14021

Installation Waste:

3-4%
* Based on average installation

Wear Classification:

Class 33
heavy commercial use (BS EN 1307)

Sound Absorption Coefficient:

Class E .02
BS EN 354:2003

Warranty:

15 years

Colour Palette:

16 options

Castor Chair Rating:

Pass - continuous use
(BS EN 985)

Impact Sound Insulation:

23dB
BS EN ISO 10140-3:2010

technical specification

Yarn	100% Econyl® regenerated recyclable solution dyed nylon
Tile / plank dimensions	50cm x 50cm
Pile Weight	550g/m ²
Total Weight	4000g/m ²
Total Thicknes	6.8mm
Backing	BioBase® recycled backing (recycled BS EN ISO 14021)
Wear Classification	Class 33 heavy commercial use (BS EN 1307)
Castor Chair Rating	Pass - continuous use (BS EN 985)
Flammability	Euroclass Bfl-s1
Static Loading	BS 4939: 1987 (2003) Recovery >80% (24hrs)
Reduction in Impact Noise	BS EN ISO 10140-3:2010 23dB
Warranty	15 years
Tiles per Box	20 (5m ²)

monolithic

quarter turn

Adhesive Free Installation to Facilitate Flooring Reuse

Burmatex® achieves circular installation with IOBAC

arctic® on standard floor with IOBAC Tab-It®

arctic® on raised access floor with IOBAC MagTabs®

Adhesive free installation with IOBAC allows carpet tiles to be held securely in place, yet are uplifted cleanly and damage-free, enabling easier reuse and recycling.

Design for Deconstruction

To enable future reuse, repurposing, or recycling

The Construction industry is currently in transition from a linear path to a circular economy, but this process is still at an early stage. Design Deconstruction plays a vital role in a buildings' circularity and a considered approach in selective dismantlement of building components for provision of its future reuse, repurposing or indeed recycling, is imperative in this change.

Burmatex®

MANUFACTURERS OF CREATIVE FLOORING 

Burmatex®, created in 1967, is one of the UK's leading designers and manufacturers of contract carpet tiles. Our eco friendly portfolio focuses on the design and creation of innovative products to meet the needs of architects, specifiers and contractors. Get in touch to discuss our design service for your project.
